Summary

With over five years at F5, currently contributing as a Senior Product
Manager, focusing on business analytics, go-to-market strategies,
and competitive analysis to support impactful product launches and
optimization. Past experience includes product ownership at F5
and system engineering at Altran, showcasing a strong foundation
in technical and strategic roles. Committed to enabling teams
to deliver customer-centric solutions aligned with organizational
goals, while leveraging certifications, such as SAFe Product
Owner/Product Manager, to enhance agile practices. Dedicated to
fostering collaboration and delivering data-driven results in dynamic
environments.
